Declaration

I, the undersigned, agree to abide by the following rules when using the observation facilities on Hashima in Nagasaki City.

1. Do not leave the designated observation area.
2. Do not do any of the following things in the observation facilities:
 - (1) Dangerous actions such as climbing fences
 - (2) Actions which dirty the facilities
 - (3) Drinking alcohol (including on the boat)
 - (4) Smoking
 - (5) Cause annoyance to other people.
 - (6) Actions which inconvenience others
(monopolizing space, hanging banners, leaving baggage, shouting, use of the drone etc.)
3. Follow the instructions of the safety guide and other staff.
4. Wear appropriate clothing and footwear that allows for safe use of the observation facilities.
5. Do not drop litter.
6. People who cannot walk unaided, such as young children or people with disabilities, must be accompanied by a guardian or carer.

- ◆ Anyone entering the restricted area of Hashima will be photographed, and have their photograph given to the police as evidence of trespassing.
- ◆ Depending on the weather and sea conditions, it may not be possible to use the observation facilities. In the event that the facilities are unusable, facility usage fees will be refunded.
- ◆ For reasons of safety, intoxicated individuals are restricted from using the observation facilities.
- ◆ Elementary school students and young children must have a letter of consent from their parent or guardian.
- ◆ Neither Takashima Kaijō Line nor Nagasaki City will bear any responsibility in the event of injury sustained as a result of breaching this agreement or from carelessness on the part of the visitor.
